

Bug Report

Bug Name: fix docker-compose.yml

Github Issue: 2

Reported By: Killian

Reported On: January 25 2021

Resolved By: Killian

Resolved On: February 2 2021

Error:

A)

*ERROR: yaml.parser.ParserError: while parsing a block mapping
in "./docker-compose.yml", line 1, column 1
expected <block end>, but found '<block mapping start>'
in "./docker-compose.yml", line 15, column 3*

Status: Resolved in commit [eca234](#)

History:

1. Indentations are not proper and will cause an error trying to build.
 - a. Bug Label Added
2. The error happens on branch main, while doing docker-compose build (Error A)
3. fixed in commit [eca2349](#)
4. BUG RESOLVED

Bug Name: docker-compose up fails

Github Issue: 15

Reported By: Cedrik

Reported On: February 22 2021

Resolved By: Killian, Tyler

Resolved On: February 22 2021

Error:

A)

Status: Resolved locally

History:

1. ValueError first reported by Cedrik on Discord
2. Killian gives resolution to create empty file at /tmp/debug.log
3. Tyler confirms the resolution works and provides the correct path for the debug.log file
4. BUG RESOLVED

Bug Name: Manufacturing Issues
Github Issue: 21
Reported By: Cedrik
Reported On: February 24 2021
Resolved By: Cedrik, Abdul, Matthew
Resolved On: February 24 2021

Error:

A)

Various

Status: Resolved

History:

Front-end errors discovered, data was not properly loaded into server
Calculations and display of material lists given has been fixed
Creation of multi-item material lists fixed
Matthew Assigned to Issue, "Manufacture" button implemented

Bug Name: User permissions not applying correctly
JIRA Issue: ERP-43
Reported By: Adrien
Reported On: March 17 2021
Resolved By: Adrien
Resolved On: TBD

Error:

A)

When logged in as a super user with all permissions active, all locked tabs (restricted by permissions) are hidden.

Status: Resolved

History:

1. Front-end error discovered when working on code refactoring on the 'sprint3-frontend-refactoring' branch.
2. Permissions are properly set in the admin page
3. BUG RESOLVED

Bug Name: Cannot remove products from Products list

Github Issue: [ERP-13]

Reported By: Adrien

Reported On: March 17 2021

Resolved By: Cedrik

Resolved On: March 17 2021

Error:

A)

Products would not be removed from the list once the remove button was clicked.

Status: Resolved

History:

1. Front-end error discovered by Adrien
2. Fixed by Cedrik
3. BUG RESOLVED

Bug Name: Cannot see Logo on the /parts template

Github Issue: [ERP-52]

Reported By: Adrien

Reported On: March 17 2021

Resolved By: TBA

Resolved On: March 17 2021

Error:

A)

The logo on the upper left corner would not render on the parts template.

Status: Ongoing

History:

1. Front-end error discovered by Adrien.
2. IN PROGRESS

Bug Name: Raw material visible in dropdown when manufacturing part or product

Github Issue: [ERP-52]

Reported By: Cedrik

Reported On: March 17 2021

Resolved By: TBA

Resolved On: March 17 2021

Error:

A)

When manufacturing a part or a product, we should only see parts and products, no raw material. However raw material was visible.

Status: Ongoing

History:

1. Back-end error discovered by Cedrik.
2. IN PROGRESS

Bug Name: Raw material when loading materials to edit material lists

Github Issue: [ERP-52]

Reported By: Cedrik

Reported On: March 17 2021

Resolved By: TBA

Resolved On: March 17 2021

Error:

A)

When loading materials to edit material lists, we should only see parts and products. However raw material was visible.

Status: Ongoing

History:

1. Back-end error discovered by Cedrik.
2. IN PROGRESS

Bug Name: Product checkbox not checked automatically

Github Issue: [ERP-52]

Reported By: Cedrik

Reported On: March 17 2021

Resolved By: TBA

Resolved On: March 17 2021

Error:

A)

When choosing a material to manufacture (part or product), if we select a product, then the product checkbox should be checked automatically.

Status: Ongoing

History:

1. Back-end error discovered by Cedrik.
